

HOME COMING IS COMING!!

Don't you love the sound of "Homecoming Sunday"? It has such a welcoming ring and brings back so many fond memories. This year, we look forward to greeting those friends and neighbors we haven't seen in such a long time and family members who live too far away to worship with us regularly on Sundays. Don't forget about all that great Southern home cooked food that is so delicious! As we remember past Homecoming Sundays with family and friends who are no longer with us, we'd like to dedicate our homecoming Sunday in memory of those loved ones, family and friends. Many of the improvements to our sanctuary and grounds were made possible by the generosity of our KPC family. These improvements are a fitting tribute to the memory of those members who made KPC what it is today. You will notice this year that several church families have donated gifts in their loved ones memory and we would like to dedicate, in their memory and honor, to Kelley Presbyterian Church.

New Church Front Doors and door cover
The Sanctuary was painted and a new ceiling erected

A new bench in our Narthex

Stained Glass in the Choir Loft

Fountain and garden in the parking lot where the big old tree was.

Please join us on *September 12th* to celebrate "Dedication Sunday" in memory of our loved ones, and enjoy Homecoming as they would have enjoyed it.
